How Then Shall We Live?

1. Paul talks about rejoicing in hope, patience in tribulation and faithfulness in prayer. Of these three things, which is the biggest challenge for you? Why?
2. When we are in Christ, we can rejoice in hope no matter the outcome of the situation we are in. What does this look like in your life or in the life of others? Share and encourage one another.
3. How does God respond when we are faithful in prayer? Read Acts 10 about the story of Cornelius and Peter and compare that with Paul's experience in 2 Corinthians 12:8-10. In what ways might you begin to cultivate a faithfulness in prayer either personally or as a family?
