Luke 17: 28-33

(If CGL attended second service then use this CGQ):

BACKGROUND OF LOT:

2 Pet 2:7 good man, lived right, righteous man who lived among unprincipled people. Started well but Gen 19:36 incestuous relationship with daughters gave rise to the Amonites and Maobites. Finished badly and left an evil legacy.

What are main causes of failure to leave a good legacy?

1. Disconnection from godly influence and atmosphere Gen 13:5, 11
2. Spiritual darkness in Sodom and Gomorrah Eze 16:49-50, Is 3:9, Jude 1:7. Living under spiritual darkness affects and controls our worldview 1 Jn 5:19. Satan conquers us: nation > communities > church > then family. E.g. Gen 19: 8 perverted his mindset.
3. Secularised Spirituality leads to worldly worldview. Allows the world to define all aspects of our lives. Comes from prayerlessness. For the millennials give them a cause bigger than themselves! Don't overprotect or shelter them!

QUESTION:

1. What worldly influence might affect your life in your workplace? What must you do to counter this? Share and pray with each other to rid our lives of growing "darkness" of influence.
2. How important do you think regular worship on Sundays at Skyline is to you in your spiritual resilience and growth? What does Sunday worship do for you? How can you, as a cell, look out for each other so you don't backslide?
