We experience challenges in our lives.

Challenges that come may seem like financial challenges or relationship challenges but actually all challenges are challenges of faith. Whether we will trust God and obey God.

Matthew 14:22-33 Jesus Walks In the Sea

Disciples at first thought it was a ghost. Jesus said "Be of good cheer! It is I; do not be afraid." Then Jesus said "Come". Peter obeyed and then walked on water!

Why did Jesus walk on water? Because He could!

Let us live our lives to testify that God Can. Have a posture to be open to God and say "Yes Lord!" when God says "Come". God will empower us when we obey so that we can in faith say "I Can"

DISCUSSION QUESTIONS

How has Ps Kenneth's message blessed or encouraged you?

1. Think back over your life. Was there any occasion when you responded to God's call to "Come". It could be ministry, domestic life, business, relationships etc (because every challenge is actually a challenge to trust and obey God). What happened? Was it easy to say "Yes Lord and obey"? What were the lessons learned? How important is faith in facing the challenges of life?

2. After hearing the sermon, do you sense a calling (Come!) to respond in faith (Yes Lord!) to live a life to show God Can? Share with each other and pray for each other.
