## **Read Exodus 15:25-27**

There is a tree of healing that comes from Calvary. Ps Lalith shares his journey in healing recently: wow!

- Healing of ADHD boy after Dr Lalith sang over him “See His Glory come down” for half an hour
- Said: “God washes diabetes...” repeatedly over a meeting. After that woman with glaucoma healed. The next day a man who was diabetic reported blood sugar dropped and never came up again. Cholesterol dropped too.
- In Australia a young man with a thyroid goiter healed after Dr Lalith said: “ God is healing goiter today”

- Dr. Lalith came to know the Lord despite being a convinced atheist and Darwinist. John 8: God spoke to him and convicted him that he was like a Pharisee: “you have stone in your mouth”. Later he gave his heart to Jesus n all his arguments faded.
- Return to your family altar each evening, 7-9pm, pray and speak over their lives God will minister to your children and change their hearts n sharpen their minds. No digital screen time in evening.
- Remember: For three days the people of Israel had no water but for 40 years they had no sickness! Sow into your family and they will wake up in morning with the song of God in their hearts and excellence in their brains!
