CELL DISCUSSION QUESTIONS

4TH MARCH 2016

1. Proverbs 10:22 says "The blessing of the Lord makes one rich, and He adds no sorrow with it." (NKJV) Discuss what you have understood from this verse, and how has it helped you in your search for material wealth?
2. There are five lessons shared in the Prosperity Journey with The Lord, namely:
 - Prosperity is a Heart matter (Prov 10:22)
 - Save up, but don't take away what belongs to The Lord
 - We are God's stewards (Deut 10:14; Haggai 2:8; 1 Cor 4:2; and Lk 16:10)
 - We are blessed to be a blessing (2 Cor 9:8 and 1 Tim 6:17-18)
 - We need a mindset change about our God (Matt 6:33)

i. Which of these lessons learnt (pick one or two) spoken to you and touched you most? Why? Share with each other your own journey.

ii. In the daily challenges you faced, have you ever “under estimate God, limit His ability, and put Him in a box”? After hearing the sermon, is the size of our God changed in your life?

3. In conclusion, what is the secret (or the essential element) one must maintain while we walk in this prosperity journey in search for material wealth?
