

LIVING BY FAITH 2

BY REV DR JAMES TAN

CELL DISCUSSION QUESTIONS

7TH AUGUST 2016

2nd Service

Mark 5:21- 43

Rev James preached on how your faith can move your mountains, using as examples Jairus and the woman with a chronic flow of blood.

There was an urgency and desperation in both their circumstances that elevated their faith to approach Jesus v23, 26

There was a submission to His authority v22, 28

They were clear in what they wanted Jesus to do - v23, 28

They said what will happened and Jesus brought it to pass v34, 42

They chose not to be fearful inspite of the circumstances and instead believed by faith of what they believed from the beginning v23, 27, 33, 36

Questions:

What risks were Jarius and the woman facing when they approached Jesus? Why did they still do it?

What did they specifically ask of Jesus? What difficulties did they face in the process?

What can limit what God can do for us? Discuss.

What is one thing that you feel God is speaking to you? What are you going to do about it?
