Act 3:1-10

Cultivating a Breakthrough Spirit

1. Keep calling Him, God hears
2. Keep looking to Him, God sees us in our struggle
3. Keep hearing and obeying Him, God speaks even in the mundane

Questions:

1. What do you think it means to keep calling on God? Are there any examples from your life to share?
2. Sometimes we may feel like we need to do more for God so that we can get His attention. Acts 3 shows us that not only does God seek us out; He wants to give far more than we can imagine! What are the ways we can respond to God in giving Him our attention?
3. Through the Holy Spirit, we can hear God and act in His authority. We give voice to His Word, believe and act in obedience. What are some of your favourite Scriptures to declare over your life? What do you sense God has been saying to you in your walk with Him this past week?
