POWER OF PRAYER & WAITING

BY PS JOSHUA SIAW

CONNECT GROUP DISCUSSION QUESTIONS

25TH

MAY 2018

Summary:

- Waiting on the Lord in prayer involves engaging with God in an attitude that is expectant and responsive to His voice. (Ps 40:1, Ps 62:5, Is 26:8, Titus 2:13, Acts 1:14)
- God wants us to actively participate in what He desires to accomplish.
- When we wait and pray, we receive authority and ability to do God's work (Acts 2, Acts 4, Acts 10, Acts 16) and experience God's sovereignty (1 Cor 1:7-9)
- Waiting and praying is an ongoing, church wide activity (Acts 1:8)

CGQ

1. Where have you personally seen God's power working in the past? How has he shown up when you were waiting on him?
2. Where do you need God's power most in your life right now? Where are you currently sensing your weakness and inability?
3. How can you begin to participate in what God wants to do through our church?

PRAYER

Spend some time together praying for God's power to meet you in those areas of need.
