Mark these Dates

Due to the terrible flood in Texas we will be changing our missions schedule to help those who are most needy. We will again be joining Just Help One in repairing and restoring homes and lives during the fall break. Exact dates will come so be watching your calendar on the ROC app/

Welcome Students

Wow this summer has flown by. We are thrilled to welcome the new and current students to a new year with many exciting things to come. This is a time of nervousness, anticipation, and joy depending on who you ask. No matter how you are feeling we at Reach want to help you and invite you to join us as we chase after the calling God has put on all of our hearts. School will be starting before our next newsletter so we want to go over some key dates and events for the students and alumni to join us in.

ATHENS NEWS

What we did | What we are doing | What are we going to do

Reach Church

The first Church service of the semester will be Sunday August 31st @ 11 a.m. This service is provided for the students who do not have a home church to attend and need to have worship and fellowship. These services are not meant to replace anyone's home church and we always encourage students to attend their home churches when possible.

Involvement Fair

On August 24th., @ 3pm the annual involvement fair will be happening. We want to again invite any alumni to come out and meet with the new and existing students. This is a time when we can introduce them to ROC and invite them to our events. If you are interested please contact Vic.

Cookie Giveaway

Friday August 22nd

We will again be distributing cookies to the students as they are passing by here at Alumni gate. Please join us if you are an alumni or just want to be involved. If you cannot join us but still want to help you can always bake some cookies for us to pass out.

RIO NEWS

What we did | What we are doing | What are we going to do

Disc Golf and Bible Study

Rio Grande has put in a Disc Golf course near the campus and we are going to use it. Every Thursday we will host a doubles format round followed by a bible study. This is not limited to students and all are welcome.

We are partnering with another student ministry to help host and have bible studies. We are better together than when we compete.

Tuesday Work Out

This semester Joey will be working out every Tuesday for those who would want to join. We will not be in a hurry and in fact will try to use our time to minister and meet students as we work out.

Tuesday afternoon we will be on campus just hanging out and meeting students.

9 Square with friends Tuesday August 26th

Rio Grande starts a week later than Athens so this will be the first event planned. We will be meeting outside and just playing 9 square with whomever wants to. I would like all students and alumni to come and play so we can meet new people and invite them to our weekly meetings.

PS. You do not have to be good you just have to be present.

We need you

If you feel called to speak to students or even prepare a session we encourage you to. We (Joey and Vic) do not want only our voices heard. God has given you a testimony and you never know who needs to hear it.

If you are interested in speaking please contact Joey at
