* SUPERBOWL PARTY

FEB 8, 2026

Mission Trip to MMS

Recently, a crew from Rio Grande and Ohio University went to serve at Mountain Mission School in Grundy, VA. We spent the week taking down Christmas decorations, sorting through and organizing the donation shed, doing some outdoor landscaping jobs, and spending time with the kids there. We were even blessed with a beautiful day to go on a hike!

Message from the Director

We watch on the news all the ways religious leaders fall to different types of sin. From pride to sexuality, sin still runs rampant. I find it interesting that the more we run to religious feelings the more sin runs deep. I want to encourage us this month that we do not chase "moves of God". Instead let us humble ourselves and pray, then see God heal our land.

Financial Report

Thank you for your support!!

The finances are still an issue of concern but we want to take time to thank those who are faithful supporters. We have people and churches giving faithfully to ROC, and we take your gifts seriously. We are encouraged that God has kept us through this hard season and look forward to the harvest!

**This Month's prayer requests**

Please pray for the returning students as they adjust to the stressors a new semester brings. Pray they will make room for God moments in their lives.

Pray for the team that went on the mission trip to Virginia. Pray that God will continue to grow their hearts towards mission and Kingdom work.

Remember to pray for the leaders of ROC. They take on the stress and pressure of trying to foster students into a God filled life. It isn't just meetings and fun.

If you have prayer requests please send them to admin@reachoutoncampus.com. We would love to pray with you and look forward to the praise reports from Gods answered prayers.

**Valentine Night Party**

On Tuesday, February 17th at Copeland Hall Room 630, Reach will be hosting a Valentine Night Party. Here, we will be making "Dirty Sodas" (non-alcoholic soda with fun syrups in them) and will be making/decorating boxes for valentines.

The next day at Crosswalk, we will walk around to everyone's valentines boxes and give out our valentines cards!

Hope to see you there :)

Get Involved!

Interested in joining a crosswalk service? Do you want to share a topic God has put on your heart? Would you like to join us for evangelism? You are always invited!

Contact us anytime through our website, instagram, facebook and our app.
