What we did | What we are doing | What are we going to do

Attending Events

This year the Rio Grande Football team has started playing football again. They currently have lost every game they have played. You might wonder what this has to do with ROC? Well, like the Rio football team, ROC appears to be struggling. You, in your life, might feel like the Rio team or even feel like ROC (struggling). I want to encourage you in the Lord today. We are still in the fight, you are still in the fight. Our victory is in Christ, your victory is in Christ. We will continue to show up and share the love of Christ and see His victory in peoples lives. GOD IS WINNING.

Fall Retreat: Life of Mission

Our fall retreat was awesome this year. We want to thank OVCA for allowing us to use their facility to host the retreat. We wanted to give the students some ideas of how they could serve in mission. We had three speakers come and teach on different aspects of ministry. We had a local missionary come and show us how we can use fitness as a mission. She even gave us an example of how she uses working out to share her story with Jesus. We had a local business man come and share his mission in the workplace. Then I shared the foreign missionary life and the life of a pastor. These examples of life in mission will prayerfully allow the students to serve Jesus where they are.

Monthly Giving

September: \$5,930.31

Monthly Need: \$11,607

As you can see we were very short on our giving last month. We first, want to thank all of supporters. The generosity of churches and individuals allow us to share the gospel with students everyday. I am encouraged when I see God doing great things in students lives. Please pray for us and continue to be a part of this worthy ministry.

Homecoming Parade

We joined in the Homecoming parade this year. It was an exciting time of fun and fellowship, with evangelism. We were able to promote Reach out on Campus to thousands of students and give out different items that share the Jesus message. Below is why we have this ministry. The students at both campuses need to hear the hope that we have in Jesus. Below is just a small fraction of the people in Athens alone.
