Something is in the Air

This year bot Vic and I both feel very encouraged. We have seen God moving and breathing life into the ministry in both locations. I am looking forward to see all the ways that God will grow us this year. Please continue to pray for the students and us leaders as the year goes on.

Things are looking up.

Welcome Students

As we welcomed the Athens students to a new school we were excited that we had such a great response. Between the two days we had over 20 interested students in attending Reach this year. On top of that it was encouraging to see the leaders really stepping up and helping with the work.

Reach Church Begins

This month we will start Reach church in the Reach House. Services will begin at 11 o'clock on the 7th and the 21st this month.

One of the things that really excited me was the number of students who were excited about the church services because many cannot attend their home church,

Hanging Out

We will be on both Campuses 4 days a week this year. We will be available for the existing students as well as evangelising new ones. If you would like to hangout with us please contact me and we can schedule a good time for you to see what we do and meet some awesome young people.

Hard at Work

One of the continued ministries that we do is service projects. This last month we were able to build a ramp for an elderly couple in our community. With the help of Chris Blank and some of our Rio students a couple will no longer have to be afraid to leave their home in fear of falling. We see this as an important teaching time and ministering time.

We need you

If you feel called to speak to students or even prepare a session we encourage you to. We (Joey and Vic) do not want only our voices heard. God has given you a testimony and you never know who needs to hear it.

If you are interested in speaking please contact Joey at

Reach is turning 50

We are planning an alumni event to celebrate 50 years of ministry. It will be a gala with a 50's theme. While we do not have dates yet we are excited about this event and look forward to reconnecting and meeting new friends.

Please Share

We ask that you share this with your church families. We try to communicate well but could always use your help. If you have any questions or advise feel free to email us.

Still Need Donations

As you can see we are still way under budget. This is not because of new expenses our giving is just down. We ask that all of our partners continue to pray for the ministry and that the Lord would provide.
