Fall Retreat is Here

This year our fall retreat will look a little bit different than years past. We have invite three missionaries to teach on the style of missions that they perform. We have a foreign missionary who served over 15 years in various countries. We also have a local missionary who will teach how to serve where you are. Lastly, we have our board president John Rankin will teach on business as mission. Pray for our students to be inspired to serve God where ever they are.

What Does It Mean

As some of you have the app for Reach Out on Campus may know we have went to a more direct approach to our weekly meetings. We have started from Genesis and will continue on teaching principles and lessons we can learn from the “Sunday school lessons” we grew up on. If you would like to see the notes that we teach on for crosswalk services please see the app, they are all there.

Rock House Refreshing

Freedom Night

We joined all the campus ministries for a night of worship. We believe that God is glorified the most when His children come together to worship Him. As we continue to see new students come to our meetings we realise more we should work with other believers to see the students of our campuses know that there is agreement in the family of Christ

Reach Church Continues

Our topic for Reach Church has been about covenant. We spent some time looking at the first covenant with Adam to start our services off. Oct 5 we will speak on the Abrahamic Covenant. We have been excited to watch the students interact with the scriptures with curiosity and understanding. Feel free to join us.

Reach House Donations Needed

During the summer we experience a significant drop in giving. We understand that there are many needs that you could support and are extremely thankful for our donors.

That being said, we are in desperate need of support to retain the ROC house. Our landlord gave us the summer months deferred which was helpful. We however did not realise that he would want all rent paid immediately starting in September. We have a need of \$4500 dollars that is due now. Please pray with us as we negotiate a payment plan and also pray for what you can do to help.

The ROC house has been a safe place for students to meet and also is where we have our Sunday Reach Church. Weekly meetings are held here and we would love to continue to be able to have it.
