

A Forgiving Heart

Sermon Series: The Heart of Jesus #4

Exodus 34:1-8

3.29.26

The word for *wickedness* basically means "crooked behavior".

The word for *rebellion* describes a clear defiance of authority.

The word for *sin* is a very general word! It describes any kind of moral failure.

Forgive means here in Exodus 34:7. The root of this word in its original language means "to lift or carry."

Christ's death on the cross-God's forgiveness declares three truths.

Truth #1 Forgiveness divulges that we are all sinners.

Truth #2 Forgiveness demanded payment for our sin.

Truth #3 Forgiveness is declared by Christ's death.
