

Death's Sting

Sermon Series: Pain Management #1

4.5.26

Easter

Introduction:

“The only things guaranteed in life are death and taxes.” Benjamin Franklin

Our first source of pain we will try to manage is death's sting.

Death is inevitable -- sooner or later we are all going to face the sting of death

How do we deal with the sting of death in a Godly way?

Two reactions to the pain of death:

❖ **Delay Death**

❖ **Deny Death**

❖ **Christ defeated death**

We are left with two options: You do put your hope in the resurrection, or you don't.

Everything matters not because death is guaranteed but because resurrection is guaranteed.
