

“Sex”

Sermon Series: American Idols #4

2 Samuel 13:1-13

5.31.26

Our culture is hyper-sexualized.

We believe three things about sex

- Sex is the ultimate human experience
- Sex leads to our soulmate “out there” to complete us
- Sex is about our body and not our soul (Dualism)

How could a nice gift go so wrong? We replace the gift as more important than the giver.

How do we tear down the idol of sex?

- ❖ We honor God with our bodies.
- ❖ We live out our sexuality His way

Idols are defeated not by being removed but by being replaced.

Sex was never created by God to be the focus in our lives or in our relationships.
