Selflessness

Sermon Series: The DNA of a Healthy Church Study #9

1 Timothy 6:1-2

November 8, 2026

How are we *living* out the gospel in our lives?

We read this today and wonder why *Paul* doesn't say how bad slavery is.

Paul says, "Worry about your *responsibility* to them, don't worry about their *responsibility* to you."

First *Milers*:

- **Do only what is *expected***
- ***Receive* only what is expected**
- **Their favorite *expression*: What do I have to do?**

Second *Milers*:

- **Do more than *expected***
- ***Receive* more than expected**
- **Their favorite *expression*: "And then some"**

When you go the second *mile* you will:

- **Go against the flow of *society***
- **Be *ridiculed***
- **Be the *punchline* of jokes.**

Be a *blessing,* not an *embarrassment* to the Savior.
