ⓐ Israel wasn't wrong to look for a physical king (Christ) in their land (Israel) with buildings (Abe did) — ^{prepare a place}_(messiah), nor did Christ reject this — after all His gospel was the kingdom of heaven at hand.

- Israel was wrong to assume that was all of the kingdom
- Israel was wrong to assume the kingdoms of the world but just a literal, visible, earthly, Davidic kingdom.

- They should of understood that God called David a man after His own heart.

- They should have known the life of God's kingdom

- Ps. 146:6

- Ps. 99:4

- judgment, justice, wisdom, equity, truth

- Rom. 5 - reign of sin & death (resurrection)

- His kingdom is not from hence

- John 18
