

Lesson 1: Spiritual Phenomena

Introduction:

- Spiritual phenomena
 - Spiritual that which cannot be explained
 - Phenomena the remarkable or extraordinary - supernatural
- In this series we will look into doctrines and matters that concern miracles, signs, and wonders.
- We will examine the reality of the supernatural in the Bible, but then we will look at God's reasons, cause, and purpose for miracles, signs, and wonders.
 - We will look into when they started, what they teach, what do they point to?
 - We will survey the doctrine of spiritual gifts or gifts of the Spirit?
 - Should we follow God by signs that we think He is giving or providing today?
 - Lastly, we will ask, is this the way God is dealing with His people today? If not, why not?

Preview:

- In this lesson we will briefly point out the reality of spiritual phenomena, the supernatural, miracles, signs, and wonders which begs for answers to the questions we will raise in lessons to follow.

Sermon:
