- **Jew & Gentile Oneness**
 - Judicial Context (witnessed & manifest)
 - In Adam - sinners, come short
 - In Christ - forgiveness of sins, righteousness without works
 - Judgment Context (hid & manifest - mystery)
 - Reconciled World - Israel fell and Gentiles reconciled (this mystery)
 - One New Man - individual Israelites and Gentiles, no difference, but one new man, the body of Christ (the mystery of Christ)
 - Election & calling (unsearchable judgments of God)
 - Heaven and earth
 - Not all Jews calling is on the earth
 - Not all Gentiles calling is in the heaven
 - Proper understanding to understand oneness in Christ, but distinction in election and calling to eventually gather together in one.
