

# Lesson 3: Time Past Pt. 2

## Introduction:

- In this lesson I want to give more attention to "time past" in the Bible
  - God's history with Israel
  - Israel were God's chosen people that He would ultimately use to reconcile the earth back to Himself
- Even though this is the case and the promise is given to them, they fail miserably
  - Israel becomes a proof case that man cannot reconcile themselves to God by their own works, nor can they fulfill God's purpose to reconcile the earth back to God.
- The conclusion - God would need to do this for them
