

New Year

Exodus 12:1-3. ADONAI spoke to Moshe and Aharon in the land of Egypt; he said, ² "You are to begin your calendar with this month; it will be the first month of the year for you. ³ Speak to all the assembly of Isra'el and say, 'On the tenth day of this month, each man is to take a lamb or kid for his family, one per household.

The New Year and Calendar scripture includes the references for when to begin Pesach/Passover marks the start of the annual Feast Day cycle. The spring renewal is the season of new beginnings and awakenings. Tomorrow evening, Saturday March 29th 2025 as we gather for our 1st of Nisan celebration at sunset it will mark the New Year, it will be 5785. There is another significant event that occurred on this day in History:

Exodus 40:1-3. ADONAI said to Moshe, ² "On the first day of the first month, you are to set up the tabernacle, the tent of meeting. ³ Put in it the ark for the testimony, and conceal the ark with the curtain.

In ancient Israel from the first time the Tabernacle/Mishkan was erected through the time period of the Second Temple the New Year was celebrated as God ordained on Nisan 1st.

Exodus 40:33-35. Finally, he erected the courtyard around the tabernacle and the altar and set up the screen for the entrance to the courtyard. ³⁴ Then the cloud covered the tent of meeting, and the glory of ADONAI filled the tabernacle. ³⁵ Moshe was unable to enter the tent of meeting, because the cloud remained on it, and the glory of ADONAI filled the tabernacle.

The First day of the New Year was when the Mishkan was set up and all Israel witnessed the transfer of God's Glory, His Divine Presence, as experienced from afar, hovering over Mt Sinai move to hovering over the Mishkan, directly among the people. This day for the fledgling nation of Israel is when God became personal, real, and up close. The first of Nisan is when Gods Glory descends upon the earth!

This is a time for a celebration and a time of preparation, New beginnings. It's the time to begin thinking about Pesach (It's just two weeks away) and to start removing the Chametz from our homes, the old leaven, the sins of last year. Isn't God great in His detail, in the New Year He has us cleaning house! Adonai Commands us to observe His New Year:

Deuteronomy 16:1. "**Observe the month of Aviv**, and keep Pesach to ADONAI your God; for in the month of Aviv, ADONAI your God brought you out of Egypt at night.

The Hebrew is very interesting: **Shamor et-chodesh ha'Aviv "Observe the month of Aviv.** Shamor's root word is Shamam: Guard, we are ordered to guard/safeguard the head of the month of the new year Aviv. Its the Key to God's prophetic timeline and schedule of global events!

What we are really doing this evening is Kingdom alignment, it's aligning or synchronizing ourselves with God's calendar and timeline in both our current worlds and in the world to come. This synchronization is the key component to prophecy and eschatology, it defines where God is at in His scripture, according to His timeline! As gatekeepers we are monitoring the transition between gates of time.

I want to go back to September 2018 as we enter into the New Year to recap gates and gatekeepers. The Kingdom of Heaven and America is currently experiencing a profound, radical shaking. We have passed through one epoch of time to another, a portal, a gate, from the Gentile age to the Messianic Age as Yeshua spoke in Luke 21:24! The new year (5785) will be a year of birthing the One New Humanity, the Messianic Age is arising, signaling the soon return of Yeshua, a time for war and a time for the wedding feast! I want to focus upon the Prophetic:

I Timothy 1:18. This charge, son Timothy, I put to you, in keeping with the prophecies (propheteia {prof-ay-ti'-ah}: Predication, Prophecy, Prophesying, a discourse emanating from divine inspiration declaring the purposes of God, the utterance of prophets) already made about you, so that by these prophecies you may fight the good fight,

I want to go back and revisit a prophetic word given over this place seven years ago by Dutch Sheets. I want to pause here and caveat this for those that are joining with us on the OASIS Network and online from around the world, what I'm talking about is happening on a global scale, Adonai is shifting the focus of His body, His people back to Jerusalem and Israel. It started there, and it will end there. I'm going to be speaking a few specific things to America but the same holds true for the gates of every nation, from Sydney to Beijing, Moscow to London, Buenos Aires to Lima, Riyadh to Medina, Berlin to Pretoria, all nations, all creation will acknowledge and submit to the Living God of Israel:

There is a **hovering presence of God in this region.** There is an invisible force right now that is hovering in the region to grab the past destiny that He spoke over this region to take the covenant root in our nation and properly align it with the new season and cause something born of the Spirit of God to be born and He needs this house to be a part of that and what ***is coming here will be very strong.*** You will see ***great sign and wonders. You will see Holy fire. The fear of the Lord will be on this place.*** It is a very Holy thing that He going to do. ***Don't mess with it.***

I call forth now in the Spirit for the seeds You have reserved for this season to begin to manifest and come forth in the current of the Spirit to take them where they need to go and **cause them to germinate**. I call forth the hovering of Your presence in this house and in this region. I decree and prophesy over this house proper alignment, age to age, season to season and **that it will not miss the time of its visitation** and that no weapon formed against this house will prosper. No tongue that rises against it will prosper but is condemned by the Sprit of God and the words of our mouths. I call forth fresh fire and fresh revelation and a new level of faith and power.

I call you to new authority. You are called to **heal the breach. You are called to restore and rebuild the ancient ruins. You are healers of the breach. You are born for such a time as this.**

"When the Jewish Believers assume their rightful place of taking the Gospel to the nations and not to the Jews alone, then the anointing of God will fall and produce an incredible harvest from all the nations. From the time of Mt. Sinai, the Lord called the Jewish people to be a light to the nations. Outreach to unbelieving Jews both in the Diaspora and in Israel, is still of great importance. We have not forgotten that the Gospel is for the Jew first. (Romans 1:16). Quote from David Silver

What is that past destiny, what is the covenant root that was made here at the root of this Nation? What's the seed that's being birthed? It's what God did at Jamestown, the root and birthplace of America, the spiritual and physical Eastern Gate of America. The day the three ships, Discovery, Susan Constance, and Godspeed arrived and landed on Jamestown Island on May 13th, 1607 Shavuot that day at Sunset. They landed and immediately performed communion establishing covenant with both Adonai and the Land. They built their fort and wrote a prayer that they prayed twice a day at the Eastern Gate (which faces Jerusalem) of Ft. Jamestown. A very specific, ancient by American standards, prayer! Its five pages long, the first section is 2 pages of repentance, the center section that I will read and the closing section that cries out for the salvation of the natives here, the American Indian. I don't have time to read the whole prayer Let's read the center prayer:

This prayer (exactly as it was written) was spoken twice daily and is taken from the book "Lawes Divine, Morall and Martiall for the Colony of Virginea"-
Printed in the year 1612.

A Praier duly said Morning and Evening upon the Court of Guard, either by the Captaine of the watch himselfe, or by some one of his principall officers.

And call in the Jewes together with the fulnesse of the gentiles, that thy name may be glorious in al the world, the dayes of iniquity may come to an end, and we with all thine elect people may come to see thy face in glorie, and be filled with the light thereof for evermore.

This is our mandate, our command, our prophetic proclamation declaring the purposes of Adonai. Its nothing short of supernatural when we realize Americas complex beginnings, how every people groups got its start here in Jamestown! One of the first mentions of gate appears in Ya'acov's dream of a ladder reaching to heaven and angels are ascending and descending upon it. Upon seeing this Ya'acov:

Genesis 28:17. Then he became afraid and said, "This place is fearsome! This has to be the house of God! This is the gate **(Sha'ar: gate, marketplace, public meeting place, entrance of a city or town, gate of a palace, a royal castle, a temple, and of Heaven and Sheol)** of heaven!"

This clearly defines both physical gates and spiritual gates, (gates to heaven and Sheol). What's the significance? I share this often and consistently; Jamestown is the birthplace of America and the Ancient Spiritual Eastern Gate of America. The East Gate is a place of profound Strategic Importance.

Ezekiel 43:1-2. After this, he brought me to the gate facing east. ² There I saw the glory of the God of Isra'el approaching from the east. His voice was like the sound of rushing water, and the earth shone with his glory.

God's glory enters the Eastern Gate! Physically, strategically, divinely, we are stationed here at the Birthplace of America, at the spiritual Eastern Gate. The prophetic word that was given over us was that the Past Destiny that had been spoken over this region will take root. That spoken destiny is the One New Humanity!

As Messianic Believers here at the Eastern Gate of Virginia, the nation, and in the Kingdom of God it is our destiny to rise up, heal the divide between communities, and lead the Messianic Movement into bringing true biblical leadership and restoration back to the Gentile church. We are moving into our prophetic destiny to lead the body of Messiah into the Messianic Age and Yeshua's return for the bride.

The "New Year" and Feast Day Cycle is one of "repetition" - mishnah (means study, review, mishnah has the same root word "shanah). To Mishnah, study, to review the history of the Kingdom of Adonai and Israel as recorded in scripture". The years Moedim and feast day cycles are an all-inclusive "study and review" of the key historical and prophetic events of the redemptive history and future of Israel. We repeat and relive these events to bring heavenly patterns into our

lives and present world to prepare and rehearse for the future! The New Year mark periods of transition, of moving from one gate into the next.

Our lives in the Kingdom of Adonai are one of perpetual transition, the Kingdom is always moving. We are transitioning from last year through the gate of a new year! A journey from this earthly realm to that of the Kingdom until the Kingdom itself transitions back to the earth! It's never easy, transitions are often rife with violence!

Adonai uses periods of transition to bring about birth such as The One New Humanity! Results in restoration, revival, awakening, to shift history, to establish His will and dominion on earth, to guide, direct, and launch us into our prophetic future and destiny. This season is marked by many transitions, many gates that have been passed through: After the great flood, on the first day of the first month of the 601st year the water dried from off the earth in Gen 8:13. In Exodus 40 Adonai commanded the Tabernacle be set up on the first day of the New Year! All Israel witnessed the transition of God's Glory, His Divine Presence, previously experienced from afar, hovering over Mt Sinai transition to the Mishkan, directly among or even within the people. New Years Day for the fledgling nation of Israel is when God became personal, real, and intimate.

Moshe died. Israel is Camped along the Jordon River on the 1st of Nisan! On the Seventh of Nisan Joshua tells everyone to prepare for three days! On the 10th of Nisan (the same Day Yeshua entered into Jerusalem with the Passover Lambs) they crossed the flooded Jordon and transitioned into the Promise land after 40 years of wandering! I want to pause and reflect upon this 40 year period.

When Israel recaptured the eastern half of Jerusalem in 1967, they allowed the Jordanian (Muslim) religious authorities, called the Waqf, to retain control of the Temple Mount. The Waqf considers Jewish prayers (or any non-Muslim prayers) to be an affront to Islam, so they forbid anyone but Muslims to recite prayers on the Temple Mount. This was a grave mistake allowing the enemy to control the holy Temple Mount and forbid our prayers and restoration. The Oct. 7th 2023 invasion of Israel by Hamas & Hezbollah will soon bring about the end of this nonsense and restore Israeli sovereignty over all of her biblically prescribe lands. The spirit of Fear and the slave spirit prevented this from occurring in June of 1967.

Our civil war over slavery ended in 1865. Soon there after the 13th and 14th Amendments were added to constitutional amendments in the United States. The 13th Amendment (1865) abolished slavery in the entirety of the United States. It applies to the actions of private citizens and gives Congress the power to enact laws against modern forms of enslavement like human trafficking. The 14th Amendment (1868) ensured the Bill of Rights applied to all citizens of the United States of America, regardless of race. It applies only to the actions of the

government and grants formerly enslaved people citizenship and the right to vote. Then the 15th amendment (1870) was added which prohibits discrimination in voting rights of citizens on the basis of "race, color, or previous condition of servitude.

In the mid-1870s, there was a rise in new insurgent groups, such as the Red Shirts and White League, who acted on behalf of white supremacists calling themselves "Redeemers", to violently suppress black voting. Redeemers in the Democrat Party regained local power in southern state legislatures, through the 1880s and early 1890s, numerous blacks continued to be elected to local offices in many states, as well as to Congress as late as 1894.

By the turn of the 20th century, states in the former Confederacy passed new constitutions and other laws that incorporated methods to disenfranchise blacks, such as poll taxes, residency rules, and literacy tests administered by white staff. When The results in voter suppression was dramatic, as voter rolls fell: nearly all blacks, as well as tens of thousands of poor whites in Alabama and other states, were forced off the voter registration rolls and out of the political system, effectively excluding millions of people from due representation. This went on until the Civil Rights Act was passed in 1964. Yet it would still take almost 20 years to strike down all the racist (and Antisemitic) state segregation laws and truly begin to implement equality by law. Its taking time for this community to overcome the spirit of fear and the slave spirit to truly walk in freedom and unity! We are still walking it out and moving forward together! I also applaud everyone who has the courage, the boldness, the mind of Messiah, to stand with us in the Messianic movement as one in the Messiah and end the millennia of toxic division! This current 40 year period of wandering is ending for us, which is exactly where we are, preparing to birth and enter into the Messianic Mandate of the One New Humanity! Joint sharers, Joint partaker of all of Gods inheritance and promises!

After Israel physically entered into the Promise land they performed the covenant act of circumcision. It hadn't been performed during the 40 years of desert wandering! The Manna stopped that day and Israel ate the fruit of the land the day after Pesach (Joshua 5)! Then on the 14th of Nisan Israel celebrated Pesach for the first time in the Promised Land! We too are in a covenant period, a new season, a new epoch of time!! We are entering into a supernatural epoch of time.

The need to Shamor or guard the biblical new year and associated feasts and cycles now becomes crystal clear. The cycle is repetitive yet not identical from year to year as we stream towards the return of Messiah and the establishment of God's timeline upon the earth and all humanity!

God Himself follows His own calendar and Feast Days, it is the prophetic clock for the Kingdom of God. Follow the life of Yeshua and you'll see that He followed the feast day cycle starting with the New year which recorded His birth.

Luke 1:5. In the days of Herod, King of Y'hudah, there was a cohen named Z'kharyah who belonged to the Aviyah division. His wife was a descendant of Aharon, and her name was Elisheva.

Jonathan Cahn's "Mystery of the Mikura" clearly and profoundly reveals that Yeshua was born in the 1st of Nisan, New Years day! The key is the Aviyah Division (I Chronicles 24 David assigned watch divisions to the Levites) and Zechariah whose wife Elisheva became pregnant. At Elisheva's 6 month of pregnancy Yeshua was conceived by the Ruach HaKodesh in Myriam. We have two points in history that record specifically when the Aviyah division was working at the Temple, one several years before Yeshua birth and another several years after. When you lay this out over the calendar it gives us a specific point for Yochanan's birth around the first of Elul placing Yeshua's birth six months later at the first of Nisan! I used to erroneously teach it was Sukkot and many do still but the facts are the facts.

Here we are on the eve of a new year, preparing for Yeshua's impending return and the establishment of His Messianic Reign! The ramifications of this are far reaching. This is the last era, i.e. period of time before the return of the Lord-how profound, the very day of His arrival 2,000 years ago also refers to His return and the last day of this age! Yeshua is the Alef and the Tav, the beginning and the end!!! It's a time of extreme pruning, shaking, realignment, with the restoration of all things. The old things of the previous Kingdom don't cross through the gate into the new era! It felt like we were in the wilderness for years, moving at a snails pace but things are quickening explosively!

We will continue to walk out a season of transition in the year ahead as we are witnessing the unfolding of God's Divine, end time plan. Do not fear the shaking and sifting the Lord is performing during this transition season. It's necessary to establish proper boundaries, proper alignment, expose demonic mindsets, agendas, lying spirits, and motivations that hinder our mandate for a united, undivided "One New Humanity". Where Jew and Gentile are one in Messiah!

The year 5785-2005- Five in Hebrew is "Hey" which represents divine breath, revelation, and light. It represents God's creative power! Hey is the root of Peh, mouth, the mouth/voice of God!

Psalm 29:3-4. The voice of ADONAI is over the waters; the God of glory thunders, ADONAI over rushing waters, ⁴ the voice of ADONAI in power, the voice of ADONAI in splendor.

The coming New Year we will experience Adonai's voice over the Waters: the God of Glory Thunders, with the breath of God. A time of great confluence in the Moves in the Spirit, where two streams (Jew and Gentile) become one! The spirit realm will be mirrored in the physical realm. It will be a time of great testing in this season as God thunders. Foundational weaknesses and falsehoods will be tested, refining will occur. Those things not of God shall be removed. However, those whose foundations are built upon Yeshua will become places of refuge, strong towers where many will enter and be saved. When God speaks over the waters, when He thunders over the rushing water, He releases His spirit of revelation with the ability to receive and understand. In 2025/5785 the winds of change are released for radical transition within the Greater Body of Messiah with the supernatural reconciliation of Jew and Gentile.

Adonai designed transitions for a kingdom purpose. In doing so He gave us a pattern for how it works. Transitions aren't just change but are a series of events designed to move you/us/your /ministry/Kehillat/Body of Messiah/nation in a divine new direction.

Adonai uses periods of transition to birth restoration, revivals, awakenings, to shift history, to establish His will and dominion on earth, to guide, direct, and launch us into our prophetic future and destiny. We're waiting for the final transition to the Messianic Reign!!

Adonai is calling many in 5785/2025 and beyond to new alignments, new alliances, new ministries, One New Humanity congregations, and even more. He is also calling upon many to transition geographically and start a new season of worship in Spirit and Truth. As this takes place it will not go forward unchecked by the enemy! We are at a similar paradigm shift, a transition is occurring in both America and the greater Kingdom today. The presence of God has departed from most of the mainstream religion that is separated from the Jewish Rooted Olive Tree of Romans 11. Apostasy, estrangement, rebellion, and general rejection of God has caused His presence to depart from many houses of worship! This is why we're feeling such a sudden and intense pressure in the spirit, why it feels like we're in a pressure cooker! Many are feeling worn out! This is why it seems as though everything is upside down, yet be encouraged, be bold, rejoice! We in fact are in labor, birthing the One New Humanity, this is where we are going:

Ephesians 2:13-16. But now, you who were once far off have been brought near through the shedding of the Messiah's blood. ¹⁴ For he himself is our shalom - he has made us both one and has broken down the m'chitzah which divided us ¹⁵ by destroying in his own body the enmity occasioned by the Torah, with its commands set forth in the form of ordinances. He did this in order to create in union with himself from the two groups a single new humanity and thus make shalom, ¹⁶ and in order to reconcile to God both in a

single body by being executed on a stake as a criminal and thus in himself killing that enmity.

It's no longer relegated to just us here at CZS and a few other places, many now are in this time of birthing right now. Many are pregnant with new mantles, new visions, strategies, and destinies of the One New Humanity, the One New Man! Some are aware of the times and know what to do about it, they are prepared for the births and intensely focused, while others who are unaware of the times feel confused and scared.

We must protect the promise, protect the newly birthed One New Humanity. Now more than ever, we need to be intently focused on our destiny, what we are specifically called to do! It's time for the Greater body of Messiah to follow suite. We must tear down all walls of division and separation! This is an area where the enemy is attempting to ensnare those to seek His presence with soul ties and familiar spirits! We cannot relent or grow weary:

Galatians 6:9-10. So let us not grow weary of doing what is good; for if we don't give up, we will in due time reap the harvest. ¹⁰ Therefore, as the opportunity arises, let us do what is good to everyone, and especially to the family of those who are trustingly faithful.

Speak out and stand upon on the Covenant promises of God. What God is doing will grow in the days, weeks, months and years to come into the deep, weighty call and assignment we've been given. We are moving into the prophetic future and destiny of the greater body of Messiah in preparation for Yeshua's return.
