

## **Congregational Organization, Structure, & Vision**

**Psalms 102:13 (KJV).** You will arise and have mercy on Zion; For the time to favor **(L'Chan nah: to be gracious, show favor, pity, have mercy)** her, Yes, the set time, has come.

**We've received powerful, prophetic messages regarding our destiny as a congregation, and now the set time has come! Considering current world events and prophetic timing, I feel to the very core of my being that this is true, our time has come. As a Messianic Rabbi, Rebbetzin and I have led Congregation Zion's Sake for 25 years as of this past May. We've weathered many storms, near congregation splits, wolves in sheep clothing, and various other maladies. In years prior we've aired television commercials, Newspaper adds, Web crawlers, ran billboards adds along with numerous other advertisements and programs attempting to reach our people with the Good News! (all had limited success). We learn the strategic importance of timing from Asa, King of Judah who reigned some 2,500 years ago and received this prophetic word from Adonai to encourage further reforms:**

**II Chronicles 15:1-9 (TLV).** The Ruach Elohim came upon Azariah the son of Oded. <sup>2</sup> He went out to meet Asa, and said to him, "Listen to me Asa, all Judah and Benjamin. Adonai is with you as long as you are with Him. If you seek Him, He will be found by you. But if you forsake Him, He will spurn you. <sup>3</sup> For many days Israel was without the true God, without a teaching kohen and without Torah. <sup>4</sup> But in their distress they turned to Adonai, the God of Israel, and sought Him, and He was found by them. <sup>5</sup> In those times there was no shalom for anyone coming or going, for there were many conflicts among all the inhabitants of the lands. <sup>6</sup> Nation was crushed by nation and city by city, for God troubled them with every kind of distress. <sup>7</sup> But you, chazak! Do not let your hands be slack for there is reward for your labor." <sup>8</sup> When Asa heard these words as well as the prophecy of the prophet Oded, he took courage and removed the abominations from all the land of Judah and Benjamin and from the towns that he had seized in the hill country of Ephraim. He also repaired Adonai's altar that was in front of Adonai's entryway. <sup>9</sup> He gathered all Judah and Benjamin, as well as those dwelling with them from Ephraim, Manasseh and Simeon—for many had defected to him from Israel when they saw that Adonai his God was with him.

**The Set Time, the Moedim is here, right now! Chazak, be bold, be strong. The reward of our labor is coming! If we seek Him we will find Him! It's time for us to take courage! We too are suffering many conflicts! Yet in our distress we are turning back to Adoni who is again pouring out His Ruach, his Glory, His Heavenly Fire! To pursue further reforms and move forward in the fullness of the One New Man! To remove the abominations from our land the Greater Body of Messiah! The time of small Messianic Congregations, the time of insignificance, the time of poverty, is over! We don't need gimmicks, ads, social media, or the latest**

**internet fad. It's our time, it's our season. As we just read, when His Divine, manifest presence is with us, the people will defect from their previous ways and join us for they now know Adonai is with us. It's prophetic:**

**Zechariah 8:23.** "ADONAI-Tzva'ot says, 'When that time comes, ten men will take hold - speaking all the languages of the nations - will grab hold of the cloak of a Jew and say, "We want to go with you, because we have heard that God is with you.'""

**This is also our prophetic word! As Gatekeepers of the Eastern Gate of America the Lord said we are the Mezuzah of the nation. A mezuzah is a piece of parchment inscribed with specific Hebrew verses from the Torah, which affix in a small case to the doorposts of our homes. These verses are the Biblical passages in which the use of a mezuzah is commanded (Deuteronomy 6:4–9 and 11:13–21). The prophetic word stated that people would come from around the world to here, to touch the Eastern Gates Mezuzah (Congregation Zion's Sake) and receive the word of God in truth and spirit and catch on fire for the Lord. From here they would travel the globe on fire for Adonai and start fires of revival everywhere they go! To facilitate this prophetic word we are raising \$50 million dollars to build the world's first Messianic Jewish Community Center and Synagogue! It will be a hardened, safe building that will allow Jew and Gentile to come together as one to study, worship, pray, and demonstrate Gods love and power to the world!**

**It will have a commercial kitchen and large Oneg facility so that we may feed the hungry and help shelter people in times of disaster. We will numerous classrooms for after school Hebrew classes, Torah Study, Prayer, praise and worship! Continuing education programs. This is a fulfillment of the prophet Ezekiel:**

**Ezekiel 44:10-15 (TLV).** For the Levites who went far from Me, when Israel went astray after their idols, will bear their iniquity. <sup>11</sup> Yet they will be ministers in My Sanctuary, overseers of the gates of the House and ministering in the House. They will slaughter the burnt offering and the sacrifice for the people. They will stand before them to minister to them. <sup>12</sup> Because they ministered to them before their idols, and became a stumbling block of iniquity to the house of Israel, therefore I have lifted up My hand against them"—it is a declaration of Adonai. "They will bear their iniquity. <sup>13</sup> They will not come near to Me, to minister to Me as kohanim, nor come near to any of My holy things, to the things that are most holy. They will bear their shame and their abominations, which they have committed. <sup>14</sup> "Yet I will appoint them to keep charge of the House, for all its service and for all that will be done in it. <sup>15</sup> So the Levitical kohanim, the sons of Zadok who kept charge of My Sanctuary when Bnei-Yisrael wandered from Me, will draw near to Me to minister to Me. They will stand before Me to offer Me the fat and the blood"—it is declaration of Adonai.

**The Tribe of Levi provided particular religious duties in the Tabernacle then the Temple. They had political duties in administering cities of refuge, educational responsibilities unto the people, and performed praise and worship duties as they assisted the high priest. In the contemporary body of Messiah, the term "Levite" is used to describe those who Lead worship: This includes musicians, singers, and those who organize and direct musical elements. Serve in various capacities: This can encompass a wide range of roles, such as those who assist with setup, sound and media, and teach classes, prayer etc. Dedicate themselves to service: The spirit of the Levites, who were set apart for service to God, is often invoked to describe individuals who are actively involved in serving the Body of Messiah and its members. Ezekiel shares that they had gone astray in idolatry.... As it is today! Yet there was a remnant, the descendants of Tzadok who obeyed and followed Adonai! Tzadok means righteous in Hebrew! There was a righteous remnant who remained loyal to Adonai and have a divine purpose and destiny:**

**Ezekiel 44:23-24(TLV).** "They will teach My people the difference between the holy and the common and explain to them the difference between the unclean and the clean. <sup>24</sup> In a lawsuit, they will stand to judge, and judge in accordance with My ordinances. They will keep My laws and My statutes in all My moadim and keep My Shabbatot holy.

**To fulfill our divine destiny and prophetic calling we need the facilities. Please join with us in the Prophetic Vision to change the world for God! **The power of the congregate is in the Kehillat (Congregation), the power of the Congregation, the Kehillat is in the congregate. Read what the author of Hebrews sates:**

**Hebrews 10:24-25.** And let us keep paying attention to one another, in order to spur each other on to love and good deeds, <sup>25</sup> not neglecting our own congregational meetings, as some have made a practice of doing, but, rather, encouraging each other. And let us do this all the more as you see the Day approaching.

**Through offense, shame, rejection, and various other human emotions the enemy has effectively penetrated our congregational defenses to bring in demonic doctrines, lying spirits, and apostasy. What the enemy has also done over the last 1,800 years is splintered the unity and cohesiveness of the Congregation rendering it weak, ineffective, and fractured. We have a profound example of what fruit of true unity and oneness through the People of Israel in preparing a Temple for the Lord.**

**I Chronicles 29:7-9.** They gave for the service of the house of God 165 tons of gold, 330 tons of silver, 594 tons of bronze and 3,300 tons of iron. <sup>8</sup> Those who had precious stones gave them to the storehouse of the house of ADONAI, supervised by Yechi'el the Gershuni. <sup>9</sup> The people were filled with joy, because they had given willingly - wholeheartedly they had given willingly to ADONAI; and David the king too was completely filled with joy,

**First, generous giving filled those who gave with great joy as was King David! The people gave 165 tons of gold. There are 32,000 ounces in a ton so its 5,280,000 ounces. 165 tons of Gold is \$17,666,352,000.00 dollars as of Wednesday, June 25<sup>th</sup> 2025 spot price @ \$ 3,345.90 per oz of Gold. 330 tons of silver (10,560,000 ounces) at \$36.38 an ounce spot is \$384,172,800.00 dollars. Bronze price is .10 an ounce so 594 tons (19,008,000 ounces) is \$1,900,800. 3,300 tons of Iron at \$94.70 per ton spot price last Wednesday: \$312,510. The total contributions by the people alone is \$18,052,737,310.00 dollars in today's currency. These are the unified contributions of the all the people excluding the precious stones that will be too hard to calculate. What could 2-3 people give? Very little, as much as they could! While everyone working together in harmony, willingly, and joyfully gave from what they had! When I say \$50 Million people think impossible. But again, if 1,000,000 people give \$50 we're there! What did King David say about this?**

**I Chronicles 29:16-17.** ADONAI our God, all these supplies that we have prepared in order to build you a house for your holy name come from your own hand, all of it is already yours. <sup>17</sup> I know also, my God, that you test **(bachan {baw-khan'}: to examine, try, prove, test, scrutinize, investigate)** the heart and take pleasure in integrity. As for myself, I have given all these things willingly, in the integrity of my heart; and now, with joy, I have seen your people who are present here give willingly to you.

**This is what people don't comprehend regarding tithing, offerings, Todah, and Shelamim offerings. God is testing you, He's examining, testing, scrutinizing your heart. Do you stand with Israel? Do you actively support the One New Humanity, Jew and Gentile as one from Ephesians Chapter 2 to see the fullness of God in your life? Remembering what God said in Genesis 12:3 that He would bless those who bless us! Here's a biblical example, model, and teaching that's not being revealed in Church:**

**Romans 15:26-27.** For Macedonia and Achaia thought it would be good to make some contribution to the poor among God's people in Yerushalayim. <sup>27</sup> They were pleased to do it, but the fact is that they owe it to them. For if the Gentiles have shared with the Jews in spiritual matters, then the Gentiles clearly have a duty to help the Jews in material matters.

**For every Church, every Pastor, every believer who joins with us, who is watching us right now, who will hear this, come alongside us, partner with us,**

**and help us with Gods work like David did for the Temple! It's happened before as see in:**

**Luke 7:1-5.** When Yeshua had finished speaking to the people, he went back to K'far-Nachum. <sup>2</sup> A Roman army officer there had a servant he regarded highly, who was sick to the point of death. <sup>3</sup> Hearing about Yeshua, the officer sent some Jewish elders to him with the request that he come and heal his servant. <sup>4</sup> They came to Yeshua and pleaded earnestly with him, "He really deserves to have you do this, <sup>5</sup> for he loves our people -- in fact, he built the synagogue for us!"

**What could we do if we were fully unified, if the church came alongside us and demonstrate the same love this Roman Army Officer displayed! Unbelieving Israel would be provoked to jealousy! We'd build a \$50 million dollar Messianic Jewish Community Center with synagogue. As a congregation we give tens of thousands of dollars to Messianic Israel every year, it's our largest tithe and support as a congregation but I tell you right now it should be in the millions!**

**We should be building one of the most beautiful Messianic Structures in the world coupled with a Messianic JCC. We also desire to start a Messianic Jewish school that adheres to the biblical calendar and keeps the Feast Days, an after school Messianic Yeshiva to prepare for Bar and Bar Mitzvahs. (young people vision-members at 13) as well as be a community resources for aid, and a hardened structure as a shelter in case of emergency. The community shouldn't be going to the government, they should be coming to us! We will establish the example!**

**Each and every one of you have had a direct impact and contribution to the success and Growth of Congregation Zion's Sake and that is why we pause to say thank you for your ongoing work, sacrifice, patience, and diligence.**

**We are about to embark on a Kingdom journey that knows no bounds, a Kingdom of greatness and of the Supernatural in the coming days, weeks, and months and years. It will require an even greater commitment from us, even greater unity and love. God has given us a corporate Vision for Jewish and Gentile revival through the One New Man, the power of One! He has given us the gifts necessary to be successful and victorious. The main focus is Adonai's desire that all Israel be saved!**

**Isaiah 62:1.** For Tziyon's sake I will not be silent, for Yerushalayim's sake I will not rest, until her vindication shines out brightly and her salvation like a blazing torch.

**Things are radically changing and shifting in our world. Ill say this again, a recent Fox News poll revealed that 21% of Americans polled were openly antisemitic! Our population is 374 million, that means over 72 million of our citizens are openly antisemitic! And this doesn't include those who quietly harbor antisemitic**

**feelings. As we enter into this new season I believe that obedience and submission to Adonai in Yeshua He has placed us, no He has postured us to strategically stand in the gap. To face this head on!**

**You're on the leading edge, the frontier of what God is doing. There is no book. No video, nothing on Facebook, Twitter or YouTube to explain this or guide us, it's only through hearing the voice of God! We must and will wholeheartedly rely on God and God alone. We must be in complete harmony and unity as we press forward. Please, tonight, get it! God is restoring honor to His kingdom and He is restoring His word in power and truth! This comes with additional responsibilities for this new season. As I just stated the central focus has been and will always be the Salvation of Israel, the land and the people, but there is more:**

**Isaiah 49:6.** he has said, "It is not enough that you are merely my servant to raise up, the tribes of Ya'akov and restore the offspring of Isra'el. I will also make you a light to the nations, so my salvation can spread to the ends of the earth."

**The light mentioned here isn't a lamp or a light bulb, it is "owr", the very same or used in Genesis 1 and John 1, this light is the knowledge and illumination of who God is! The knowledge of God separated the upper and lower waters, and in the beginning the light, Yeshua was there, in fact Yeshua is this knowledge come to earth in the flesh**

**John 1:4.** In him was life, and the life was the light of mankind.

**Light here in the Greek is Phos, A heavenly light, such as that surrounds angels, truth and knowledge of who God is, the power of understanding moral and spiritual truth. The same definition as Owr-, owr and phos are one in the same! We are to be this light unto both Israel and the nations so that God's Yeshua (salvation in Hebrew) can spread to the ends of the earth. It's been too small a task for us to only focus upon Israel's salvation. It brings us right back to Tzadok....Teaching the people, a light to the nations!**

**It's time for us to move beyond cooperation into collaboration. We've had hundreds if not thousands of people come to us over the years, listen, watch, and say Rabbi, we love you and we're with you! Love is a verb and requires action like the Roman Soldier. They say we agree with you, we stand with you, but they're not in collaboration, they're in cooperation. They agree with us, but they are not actively engaged! Those who collaborate come here week, they faithfully watch every week, they faithfully listen on the Oasis network after week, giving their tithes and offerings here, they join in prayer, they are at every event, they volunteer for events and outreaches, and they associate with the house of Israel. Do you see the difference between the two? We're leaving the period of having one foot in one camp and the other foot in another camp. Dr. Raleigh and Paulette Washington are perfect examples of this! There are living and breathing**

**Messianic Movement! Dr. Washington and Coach left a multi-million-dollar international ministry to dedicate themselves to the Messianic Jews and the Messianic Movement, not part time-not split between several ministries, they are totally sold out to God and what He is doing! That's Collaboration! How about you?**
