Our New Directory

App is now LIVE!

Our current Directory app is being deactivated as we transition to Church Center. Everyone currently using the app has received an email with access to the new one. If you're not currently using it but would like to, please call the office with your email address.

Church Center offers more than just a directory—you can view upcoming events, give, see bulletins, and register for events (currently only using for VBS).

We're excited about its potential to improve communication. Please be patient as we load everyone into the new system. Meanwhile, a PDF version of the directory is available in the app. For any questions, call the office.
