MESSAGE

Speaker: Bernie Norman
Eternal Life

Statement of Faith: "Because God has given us eternal life through Jesus Christ, the believer is forever secure in their salvation. Eternal life is maintained by the grace and power of God, not by the self-effort of a Christian. It is the grace and keeping power of God that gives to us this security."

Notes:

Our mission is to lead people into a growing relationship with Jesus Christ by creating environments where people are encouraged and equipped to pursue a loving relationship with God, experience community within, and be a life-giving influence without.
