May 17th 2026

KEY VERSES

- Genesis 1:26-30
- Genesis 2:15-17
- Genesis 3:1-12
- Romans 5:12-21
- I Peter 2:24

KEY TAKEAWAYS

- God creates humans in His image—this gives every human dignity and purpose.
- Adam rebelled against God by taking the fruit and his guilt before God is passed down to every human.
- God sends a second Adam to rescue Adam and us from our sin. Our sin was transferred to Jesus; His perfection is transferred to us.

TALK ABOUT IT

1. What creates injustices and mistreatment of people if we're all created in God's image? How can Christians fight against injustice?
2. What is the doctrine of original sin? How would you explain it to someone else?

3. How can “the great exchange” of our sin for Jesus’ righteousness impact the lives of believers?

APPLY IT

1. Take some time to take an inventory of where you might struggle with your identity. Write down some ways that you have not been secure in being made in God’s image. Ask God to help you find hope in the gospel.
2. Spend some time with our heavenly Father to thank Him for His perfect plan of showing justice on sin and showing you mercy at the cross of Jesus. Ask Him to help you rejoice in this truth today.
