- Believers must choose to change by the renewing of their minds because of God's mercies.

TALK ABOUT IT

1. What makes it difficult for Christians to surrender to God everything in their lives? How can Christians work at yielding their lives to God?
2. What lies do you see that believers are tempted to believe from the world? How can believers free themselves from these lies?

APPLY IT

1. Take some time to think about God's perfect plan to save His people. Thank Him for His great mercy.
2. Take some time to take an inventory of your life. What have you surrendered to God? What have you not surrendered to God? Ask God for help to yield your life to him today.
3. Write down three ways that the gospel can encourage you today. Share what you wrote down with someone else.
