Discussion Questions:

1. When no one seems to notice, someone does. Have you ever done something good and failed to be recognized for it? What thoughts go through your mind? How should we respond?
2. God is never absent. Are there areas in your life where God feels absent? If so, talk about it and ask God to reveal Himself to you and have faith that He is working out all things according to His plan.
3. Is there a situation in your life where you feel treated unjustly? Are you trying to come up with excuses and blaming other people or are you seeking to understand God's providence?

One Thing: God isn't impressed with your power, progress, prestige, or popularity. He is impressed with a humble heart that comes to Him on His terms. Consider where your confidence is — in God's plan or your plan?
