One Thing: 1) Spend time reflecting on Romans 12-15 and find areas that God is highlighting as potential growth areas in your heart. 2) Tell a close friend or your small group what you feel God is compelling you to do through these chapters. 3) Ask someone to think about what they see in your life that needs to change in light of Romans 12-15.

Discussion Questions: 1) How are we actively showing love towards other believers? 2) How should we show love towards other believers? 3) When we hear “love God love others” who comes to mind in the “others” category? 4) Are we susceptible to forget to show love to other believers? 5) What gifts according to Romans 12:3-8 do you see in your small group?
