5) Weekday Application Questions

- a) How would you summarize this passage? What is the major point of Revelation 4? Who is the “One on the throne?”
- b) See if you can locate all 13 uses of “throne” in Revelation 4 (NASB translation — 14 uses in Greek). Why is this word repeated? What comforting truth can we take away from this emphasis on God’s throne?
- c) Read Isaiah 6 and Ezekiel 1 and 10. Notice the descriptions of the angelic beings. What similarities do you see with the 4 Living Creatures in Revelation 4?
- d) Here is your “One Thing” for this week: Memorize and meditate upon Revelation 4:11.
