

*From Suffering to Celebration*  
*Esther 9-10*

---

Section 1: A Restrained Reckoning (9:1-16)

Section 2: A Celebratory Reminder (9:17-32)

Section 3: An Exultant Ending (10:1-3)

**Discussion Questions:**

1. Read Romans 12:1-5 & 17-21. How are Christians to act differently from the world? How can you practice the commands in this passage this week?
2. Do you often neglect to celebrate God's provision? Why is this?
3. When evil seems to have the upper hand and life feels upside down, remember that God is in control. Are there any areas you can apply this comforting truth this week?

**One Thing:** We all have "Purim" moments in life where God has faithfully provided. Take time this week to reflect on a moment of God's faithfulness and then mark that date on the calendar and plan a celebration!
