Discussion Questions:

- 1) In light of this passage, what has God made clear to you this week?
- 2) Discuss how often God uses the least likely to accomplish his purposes?
How does this give you hope today?
- 3) How do you balance "worldly success" with God's plan? Are you using your success for God's glory?

One Thing: What successes have you had or are you having in your life? Can you truly say you're using them for God's glory?
