Discussion Questions:

1. Have there been any “dramatic reversals” in your life where God has worked against the odds for your good and His glory? Talk about them!
2. Discuss the concept of “holy war” in view of the cross of Jesus Christ.
3. Do you think it is right as Christians to stand against “wrong laws?” (A proper understanding of “holy war” and the cross of Jesus Christ is vital when answering this question!)

One Thing: Are you in a hopeless situation? Ask yourself, is this situation a result of an internal or an external issue? Meditate on Psalm 119:67, 71 & 75 as you pray for God’s provision this week.
