

# OUR MISSION @ CCC

We want to reach people with the love of Jesus outside the walls of our church. Your gifts enable them to do the work of sharing the message of Jesus, meeting both physical and spiritual needs. Your giving is making this possible. Would you consider giving a considerable financial gift today and in the coming months?

**CCC's mission support is funded 100% by your donations.**

**Designate "Missions" with your giving.**

After traveling to Guyana on a short-term mission trip, Angie soon felt God calling her to full-time ministry in Guyana. In 2006 she began giving leadership in a home for orphaned children. Then in 2010 she began serving in a squatter community that is home to more than 100 orphans. Global Partners appointed Angie to serve as a long-term missionary in Guyana in 2013.

Angie's vision is to develop leaders of all ages and to give the vulnerable a voice. She teaches mission-minded nationals at the Wesleyan Bible College and brings light to those who live in a community of shadowy oppression.
