

SERMON NOTES FOR KIDS

SERMON TITLE: **OUR SINS ARE FORGIVEN!**

Sermon Text:

Read Romans 12:3-8 this week.

Questions?

***DON'T FORGET TO ASK YOUR PARENTS ABOUT ANY WORDS YOU DON'T KNOW.**

What was your favorite song today?

What are we learning about in the passage this week?

What is something you didn't know before?

Is there something to believe or do as a result of this?

Was there anything you found confusing? If so, what was it?

Spend time in prayer this week asking God to help you understand how the message applies to you.

Moving Towards Purpose

Our desire as a ministry team is to help our young people realize that our faith is not something just for Sundays. We should be willing to make time for Jesus in the midst of our struggles and our triumphs.

This is an exciting and challenging new adventure we are all apart of. Jesus calls us out of the comfort of the boat and into the waves. Join us as we step out into this mission.
