- Music Set Up a Miracle.
- When we sing and worship the Lord, God responds.
- Music is powerful.
- In 1 Samuel 16, king Saul was troubled and tormented by a distressing spirit. There was only one cure for this distressing spirit. There was only one remedy for this and it was a miracle from God brought on by music.
- When David came into the room and started playing the atmosphere changed.
- God wants to do a miracle but you’re stopping Him because you won’t consecrate your music!!!!
- Why does it matter? Why does music matter?
- What you sing about is what you think about!
