

## Expansion part 2

### Isaiah 54:2–3

Expansion begins when we say yes to God's instruction, even before we understand His outcome

Lengthen Your Cords - In other words, extend our reach, our influence and our capacity.

God often stretches us privately before He blesses us publicly.

Strengthen Your Stakes - reinforcing what holds you steady.

### Matthew 6:33

“Spread Out!!! To the Right and the Left” - generational impact.

in 2 Samuel 7:2, King David says to the prophet Nathan, “See now, I dwell in a house of cedar, but the ark of God dwells inside tent curtains.”

Expansion is making room for something God promised that we haven't seen yet.
