

“Moving The Body” Part 2

Read: Matthew 27:57-61

- Joseph put the body in his own tomb.
- If you want to move the body, it takes ownership.
- Take care of the body. Take ownership of the body. Be a good representative of the body.
- Joseph rolled a large stone against the door.
- The body will face large obstacles.
- Romans 8:11.

- No stone can stop the moving of the body.

Matthew says that on one side was Mary Magdeline and on the other side was the other Mary.

- On one side, you've got the formerly demon possessed (some say prostitute) and on the other side, you've got the virgin.
- At NEW LIFE, we want the Mother Mary sitting next to the Mary Magdelene and then we can move the body...together!
