

## **“Step Towards Restoration”**

### **Read: Mark 3:1-5.**

- Jesus has upset the religious leaders.

Sitting in the room is a man with a hurt hand. It's the sabbath and Jesus heals this man in spite of tradition.

- The sick person needs to be welcomed in the house.

How can they be made whole if they're not in the house?

- Come with Expectation.

- Expect that God is able to do a miracle in our lives.

Even if it's just one person, we expect God to move mightily.

- Step forward.

• Even if we don't feel like it, sometimes we've got to take that step forward.

- Faith without works is dead.

- Stretch out your hand. Bring that injury to Him.

- Whatever that problem is, bring it to Jesus.

- Jesus is in the restoration business.
