

“An Indication of Potential” Unstoppable Faith Part 2

Read: Acts 16:16-22.

- In Acts 16 there's a story of 2 men who get in trouble for doing the work of the Lord. They are falsely accused, arrested, beaten with rods, and thrown into prison.
- Paul and Silas are walking towards prayer time... It's a meeting place by the river.... They're walking towards the things of God. They're walking to their purpose in God... Walking towards their calling... and the enemy is following them.
- The Enemy Follows - God Leads.
- Don't let the enemy following you tell you that your past is too much for the God that is leading you into a great future!!!
- If God is leading you, keep your eyes forward and don't worry about the enemy behind you!!!!
- Don't let an enemy who's behind you stop where you're walking. You're walking into new territory. You're walking into new promises. New miracles. New relationships. New opportunities. New ministries. New favor. New mercy.
- The story continues with Paul and Silas arrested, brought in front of the authorities and a crowd gathers around them.
- The Size of the Attack is an Indication of Your Potential.

- The attack is an indication of your potential. The attack is a result of your anointing.
- You've got a great future ahead of you but before you walk into that future just know that there is often a great attack coming.
