

## “Positioned For Glory”

### **Read: John 9:1-3**

- This man is blind because God is going to use it to display His power and glory.
- Maybe God is setting you up for the greatest display of His glory.
- God rarely uses anyone that hasn't been through some trials.
- God is doing more than answering your prayers. He is putting you in a position to rely on Him so His glory can be shown through you!
- Trials are inevitable, but they are always redeemable.
- You can either prepare for the problem or prepare for the glory.
- You are not being punished. You are being positioned. God is not done with your story.
