

Life Changing Encounter

Luke 19:1-10

Zacchaeus was one of the head tax collectors and he was hated by his community.

However, Zacchaeus was drawn to Jesus. We need to live a life that promotes the message and the life and the power of Jesus

Zacchaeus had to exchange masters. From Money to Messiah!

Verse 7 ... teaches us, there will always be critics, doubters, and faultfinders. However, celebrating others' success is a reflection of Christlike love.

Zacchaeus was known by the way he looked and what he did. But after salvation... Now he's known as the guy that climbed up tree just to see Jesus.

Don't let the world label and define who you are. Jesus has changed what you do, who you are, and He has changed your future.

Jesus came to seek and to save that which was lost. And He is still doing that today!
