

The Ark of the Covenant- Part 3

Exodus 25:10-2

The Ark of the Covenant was a physical sign that the God of all the earth was in Israel and with the people of Israel

Sadly, Israel rejected the Lord and left the presence of God.

Many believe it was destroyed by the Babylonians
How could this happen?
How could it be destroyed?

God eventually left them to their decisions

When people keep pushing God away, He eventually allows us to live in our decisions
The result is the absence of His presence.

If you want to regain what you've lost, return to what you left.

To get back what you lost, you have to go back to what you left.

Return to your first love.
