Mark 2:1-12

“When they broke through” = Our willingness to keep digging till we break through

Jesus forgave the sins then healed the body

The Dual Nature of Jesus Christ
There’s some important theology found in these verses...
Specifically, V5-7

Who but God can forgive sins ... And then Jesus says in **V10-11** He has power and authority to forgive sins...
Jesus is all God and all man at the same time...
That is the Dual nature of Jesus

The order of the events of this guy’s mat... **V11-1**

His mat was proof of his struggle
It was his scar
And scars tell others we survived
