

"The Helper - The Holy Spirit"

Johns Gospel Part 44

Read: John 14:15-17.

- God created us to be dependent beings. We are to be dependent on God for everything and interdependent upon one another
- The help that each one of us needs more than anything else is the **HELPER** - the Holy Spirit!
- Help comes after the relationship starts!
- V16, The Holy Spirit, the Helper will abide with you forever.
- The Helper, the Holy Spirit, will abide or live with us.... inside of us. V17 says it will dwell with you and be in you.
- Jesus implied the flesh is weak....We are weak to follow God. Thus the reason for the Helper, the Holy Spirit.
