

“The Power of Prayer” with Pastor Justin Adams. Unstoppable Faith Part 5.

6/1/25.

Read: Acts 16:16-26.

- What got Paul & Silas into this mess, was the same thing that got them out of this mess.
- Praying in times of peace will prepare you to pray in times of pain.
- Prayer prepares us.
- Prayer prepares me for pain that will inevitably come.
- Prayer helps us stand.
- When the enemy came against Paul, it was his time in prayer that helped him stand and not fall.
- 2 Corinthians 4:8-9.
- Prayer keeps me standing under of the weight of the world is trying to crush me. God loves the prayers. He responds to prayer!!!!
- Pray God enters your situation.

They were praying. An earthquake happened, and the doors of the prison opened up, the jailer woke up, saw the doors opened, and he assumed everyone left because he goes to kill himself, because he knew that was going to be his punishment in the morning...And Paul yells “we're all right here.”

- Paul and Silas were praying for God to get into the prison and not for them to get out of the prison.
- Your best prayer isn't God get into my situation... Your best prayer is God, get into my life.
