

Extreme Easter

Mathew 28 1-10

- Easter is extreme.
- God went to extreme measures for you and I.
- Extreme sins separate us from God.
- The only way this sin could be paid for was there had to be a punishment.
- Jesus was the extreme sacrifice for extreme sin.
- Extreme sin caused an extreme move by God that led to the extreme death of Jesus.
- God wasn't finished... the Bible says on the third day after the crucifixion, there is nobody in the grave.
- Our extreme sin caused an extreme reaction and from an extreme reaction was an extreme sacrifice named Jesus. He was an extreme sacrifice to give us Extreme Grace.
- This Extreme Easter is so you can experience Extreme Grace provided by an Extreme Savior.
