

Week 4

Text: Mark 5:21–34

Title: All my hope is in Jesus

Big Idea of the Message: Jesus displays his divine power over an illness that has lingered for years in the life of a woman who desperately sought to touch Jesus.

Application Point: Even when we have endured years of suffering, pain, grief, and hardship, we must keep putting our trust and confidence in God and not give up. When we think we have tried everything we can, we need to keep moving toward Jesus and touch him.

1. Jesus responds to faith.
2. Jesus responds to humility.
3. Jesus responds to hopelessness and desperation.
4. Jesus responds in love by granting their request.
