

Summer of Breakthrough - lyrics

[Intro]

Oh, oh, oh, oh, oh

Yeah!

Oh, oh, oh, oh, oh

Yeah, yeah!

[Verse 1]

Sun is on our faces

Joy is in the air

Running to the fountain

Jesus meets us there

High fives and loud laughter

Kindness in our eyes

Every day with You, Lord

Feels like paradise

[Pre-Chorus]

We are not afraid

Your love is our song

Truth is on our lips

We are standing strong

[Chorus]

We are Remnant Kids

Full of faith, full of love

Miracles are real
From the King above
Peace in our hearts
Hope in our hands
Third Day Worship Centre
We take a stand
We are Remnant Kids
Living in Your light
Jesus, You are power
Shining through our life

[Bridge]

Breakthrough in our bones
Fire in our praise
Supernatural love
Jesus, You amaze
Truth that never bends
Hope that never fades
We live in Your sight
We live in Your sight

[Chorus]

We are Remnant Kids
Full of faith, full of love
Miracles are real
From the King above

Peace in our hearts

Hope in our hands

Third Day Worship Centre

We take a stand

We are Remnant Kids

Full of faith, full of love

Jesus, You are with us

Greatest joy from above

Peace in our hearts

Hope in our hands

Third Day Worship Centre

We take a stand

[Outro]

Summer days, Jesus' way

Summer days, Jesus' way

We are Remnant Kids

In Your love we stay

In Your love we stay

Living in Your sight
