Step 1: GET REAL

What are you thankful for from the past week?

What struggles did you face?

Where did you notice the presence of God?

What can you share from your personal Bible reading?

Step 2: **GET FED**

Read Colossians Chapter 3

How can we keep our minds on things above while we face the day to day cares of this earth?

What is the difference in mindset from putting to death what is earthly in me vs simply trying to be better?

How can we become tolerant of certain sin in our life?

Would you say you are more like your earthly father or your heavenly father?

Which of the actions we are to put on from vs 12ff are the most challenging for you?

How is God's plan for the family attacked, and how does it remain a timeless guideline to follow?

What other thoughts do you have from Colossians chapter 3?

Step 3: **GET ACTIVE**

Try to incorporate the Lord in the everyday aspects of your daily life this week. Consider how you may keep your mind on things above.

Read Colossians chapter 4, discuss it with your family, and be ready to share your thoughts next week.
